Jia Jia was one of those cuckold wives who had been dreaming of a scene with their hot boyfriend for weeks. She had been teasing him with it ever since they had first started dating. Finally, the day came for him to be a real cuckold husband and she pulled it off in a way that he could not miss. He was fucking her doggystyle at her request while she was lying on the kitchen counter with her legs spread wide open and he had a great view of her ass. Jia Jia turned around and made him pull down his pants to show her how much she was getting off on having him watch her fuck. The fucking was great and he wanted to cum all over her slutty face. Jia Jia was a bit shocked to find out that her boyfriend had a massive hard-on while he was in a hole, but she was a lot more turned on when he came all over her slutty face. 123 8 1421 The hottest amateur porn sex tube on the web!
